To Whom It May Concern:

Re: 806 N. Chestnut Street
Tax Map 48N, Group C, Parcel 3.02

I hereby certify that I have examined the public records of Putnam County, Tennessee, affecting the title to the property located in the Fourteenth Civil District of Putnam County, Tennessee, conveyed to Teresa Bruce, Rhonda Smith, Letitia Short, Melody West, and Sharon Wilmoth, Successor Co-Trustees of the Joe B. Wilmoth 2013 Living Trust, as described and recorded in the Register's Office of Putnam County, Tennessee, in Record Book 885, Page 535; Record Book 1012, Page 542, and Record Book 1012, Page 545. This opinion covers a period of twenty years to July 29, 2020 at 8:00 a.m.

My examination of the said public records reveals the following objections:

1. Mortgages, deeds of trust, and/or purchase money lien notes:
None.
2. Taxes:
 - a. Subject to the 2020 County and City taxes, liens not yet due and payable.
 - b. The 2019 County taxes in the amount of \$2,077.00 have been paid.
 - c. The 2019 City taxes in the amount of \$966.00 have been paid.
 - d. If improvements are completed after January 1 of any year, the law requires supplemental assessment for the year in which improvements are completed as defined by Statute. David W. Ledbetter, Attorney at Law, assumes no liability for taxes assessed by correction pursuant to the provisions of T.C.A., Section 67-5-603, et seq.

3. Other objections:

- a. Subject to all matters shown on the plat of record in Plat Cabinet J, Slide 41A and on the survey by Allen Maples Land Surveying dated July 13, 2020.
- b. Designated as Tract 7 on survey. A non-exclusive ingress and egress easement must be recorded in Register's Office of Putnam County, Tennessee for the benefit of Tract 7.

This title report does not make any representation with regard to (a) any parties in possession; (b) deficiencies in quantities of land; (c) boundary line disputes; (d) roadways; (e) any unrecorded easements; (f) improper subdivision or re-subdivision of subject property, or failure to comply with applicable governmental planning regulations or statutes; (g) any unrecorded liens; (h) accuracy of the index books of the Register's, Trustee's and Clerk and Master's offices of said County; (i) any matter not of public record which would be disclosed by an accurate survey or inspection of the premises; (j) any undisclosed heirs; (k) any fraud or forgery in connection with any of the instruments in the chain of title; (l) mental incompetence; (m) confusion with regard to the name or proper identity of parties; (n) improprieties with regard to delivery of deed; (o) marital rights (spouse or former spouse of past owners not revealed in the instrument); (p) any instrument executed by a minor; (q) lack of corporate capacity in the event a corporation is in the chain of title; (r) any facts that would be revealed by an examination of the records of State Courts, Federal District Court, and Federal Bankruptcy Court; (s) any questions of security interests or liens under the Uniform Commercial Code; (t) any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting and regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions or location of any improvements now or hereafter erected on the land, or prohibiting a separation in ownership or a reduction in the dimensions or area of the land, or the effect of any violation of any such law, ordinance or governmental regulation.

These items listed under the immediately preceding paragraphs are matters which would not be revealed by an examination of the records of the Register's, Trustee's and Clerk and Master's Offices of said County, and, therefore, matters in which we have no means of securing the necessary information. The matters under (a), (b), (c), (d) and (e) could be protected against by an accurate survey by a qualified licensed surveyor. Item (f) improper subdivision or re-subdivision of subject property could be protected against by requiring a qualified licensed surveyor to properly subdivide or re-subdivide subject property and obtain necessary approvals in accordance with any applicable governmental planning regulations and statutes. Item (g) unrecorded liens, could be guarded against by an inspection of the premises for new improvements, and if such appear to have been present, the utilization of the notice of completion and waiting ten (10) days to close as per T.C.A. Section 66-11-143, et seq. The matters under (h) through (s) may be insured against by the utilization of title insurance, and should you desire more information in that regard we would be pleased to discuss same with you.
