Re: Jawad Corporation  
9888 Roberts Road, Cookeville, Putnam County, TN

Dear Sam:

Pursuant to our conversations and our exchange of emails, you and I discussed the above mentioned property, as well as the County's judgment lien against the same.

More specifically, you and I discussed that the County's position regarding the property is as follows:

The property located at 9888 Roberts Rd., Silver Point, TN and also being Putnam County Tax Map Parcels 087 104.00, 104.00 SI 001, 104.01 and 104.02 have been adjudicated to be in violation of the Health and Safety Regulations of Putnam County, Tennessee. A judgement in favor of Putnam County has been recorded in Record Book 1162, Page 1 of the Putnam County Register of Deeds. This judgement shall remain in effect and shall not be released until said property is remediated and brought into compliance with the aforementioned the Health and Safety Regulations to the satisfaction of Putnam County, Tennessee.

Should you have further questions, feel free to give me a call.

Sincerely,

Jeffrey G. Jones  
Putnam County Attorney
